MINUTES OF TRC ANNUAL GENERAL METING HELD ON SUNDAY 13 JULY 2014 AT 3.00PM AT CEYLON SPORTS CLUB, 101 BALESTIER ROAD SINGAPORE 329678

Attendance

Present: 85 Members and Affiliate Representatives

	At 3.00 pm, Gen Secretary announced that there was a quorum. He further stated waiting for another 5 minutes as there was a queue at the registration counter and to allow members to come in after registering.
1	**Welcome Address**
1.1	Gen Secretary (GS) welcomed members and called the meeting to an order at 3.10pm. He stated that the quorum was 75 at the time of calling the meeting
1.2	GS requested a 1 minute silence to be observed in respect of the demise of 2 life members: Mr. Ramachandran and Mr. M P Samy.
1.3	GS on behalf of the members present congratulated Dr R Theyvendran on being elected as the President of SICCI.
1.4	GS proposed that the Standing Orders (SO) of TRC be adopted before the start of the AGM.
1.5	The SO was adopted on the proposal by Mr. Chandran and seconded by Mr. Lukshumayeh.
2.	**President's Speech**
2.1	Full text of President's speech is at *Annex A*. President highlighted in his speech that TRC had continued its close relationship with LISHA, SINDA, Narpani, TLC, TLLPC and TLCS. He also thanked all Affiliates for their continued support and cooperation.
2.2	Members present unanimously voted to put on record its deepest appreciation to Mr. Rajasegar, outgoing CEO of Sinda. All agreed that Mr. Raja's contribution to SINDA was highly commendable.
2.3	This was proposed by Mr Harikrishanan and seconded by Mr. Sultan.
3.	**Confirmation of last AGM's minutes**
3.1	As there were no amendments the minutes of the AGM held on 29.9.2013 was duly adopted as proposed by Dr N R Govinden and seconded by Mr. Harikrishnan.
4	**Adoption of the Management Council Report 2013**
4.1	Mr. Ilangovan commended the detailed annual report. However, he suggested including the following items in the Report: i. What TRC was doing for educational upliftment and whether the performance of

	Indian primary and secondary children were monitored and how they fared shared to guide parents. ii. TRC secretariat staff, if employed, part time or full time and how they support e.g.GIRO iii. The trend in GIRO contributors and amounts contributed and how much of the drop mentioned were due to unsuccessful deductions and closures. iv. The number of e-newsletters issued; v. The events that were TRC organized as opposed to those that it supported others through donations. vi. Status of Tamil being taught in Kindergartens and how TRC is supporting this, as currently only 1 PCF and 2 privately established kindergartens were offering Tamil and Ministry of Education had announced what are expected of pre-school children for TL2 when they enroll into Primary one in 2015 vii. The attendance of members at MC and Ex-Co meetings.
4.2	GS said that TRC may not have all the information on the welfare and the education status of Tamils. He said TRC would need to ascertain such details from MOE and SINDA before publishing them. TRC will engage MOE and SINDA for the relevant information.
4.3	GS pointed that the 'Back to School' program was organized by SINDA and TRC had been supporting it annually.
4.4	GS agreed that Mr. Ilangovan's suggestions on details of secretariat staff, issue of e-newsletters, events that TRC had supported and information on TRC's meetings were valid and will be included in future reports wherever possible.
4.5	President pointed out that he was aware a large number of Tamils were unable to secure jobs and had approached TRC and him personally for jobs. He said he was fortunate that he was in a position to offer them jobs or refer to organizations which could offer them jobs
4.6	President assured members that TRC will keep highlighting to the relevant authorities on the usage of Tamil in public areas.
4.7	GS highlighted that TRC had sought clarification about Tamil being offered in schools. This was pertaining to a query raised by a parent about Tamil not being taught in a school near where she lived, and that only Hindi was being taught.
4.8	GS read out the reply from MOE for the members' reference. MOE had assured that it was committed to ensuring that all students have access to schools offering TL. As the number of such schools is subject to availability of TL Teachers and also determined by demand and availability of alternate schools within the vicinity, it was not feasible to offer TL in every single School. However, MOE will continue to recruit more TL Teachers and expand the number of Schools where viable.
4.9.	Mr. Ilangovan said that as previously done,TRC should publish the lists of schools that offered Tamil and those planned to, as obtained in advance from MOE, so that parents can use this as a reference point to decide where they should register their children. This should be done a few months before actual registration. This would benefit the Tamil community as they need not seek out aimlessly

4.10	GS said TRC was already working on including a link to the list of schools on TRC's website and the information would be disseminated in TRC's e-newsletter.
4.11	Mr. Ilangovan suggested that this be also published on a hardcopy as part of the Newsletter which can be once a year and issued a few months before actual registration.
4.12	Mr. Manimaran enquired as to why TRC did not have its quarterly affiliates meetings as stipulated in the Constitution.
4.13	GS agreed that that the quarterly affiliate meetings were not held due to some unforeseen circumstances. He assured that such meetings will be held.
4.14	Mr. Manimaran stated that Sorpor which TRC had organized was highly commendable and well received. This event gave our young students a firm foundation in debating skills in Tamil. However he was of the opinion that Sorpor should be held yearly and not once in 2 years.
4.15	GS explained that there was an agreement between TRC and Narpani as there were 3 debates (Sorsilambam, Sorkalam and Sorpor) being held every 2 years.
4.16	These events were resource heavy and needed funding. Schools had also given feedback that Sorpor should be held every other year so that there was enough time to identify and train the students.
4.17	GS also highlighted that members and volunteers involved were the same group for each event and it will be highly stressful to organize it every year.
4.18	Mr. Manimaram stated that Saiva Sithantha Society was willing to organize the event if TRC was not able to do it annually. GS thanked Mr. Manimaran and suggested that this could be discussed separately and the options explored.
4.19	As there were no other issues the Annual Report was adopted unanimously as proposed from by Mr. Harikrishnan and seconded by Mr. Shareef.
5	**Adoption of Accounts for year 2013**
5.1	Mr. Mani said the accounts have been kept well and he saw no issues in it.
5.2	President stated that his Accountant from Stamford Press had been assisting in preparing the accounts and that he did not receive any remuneration.
5.3	President also pointed out that cost for the arbitration issue with TRC Co-op came from his own pocket and no funds from TRC were used.
5.4	The audited Statement of Accounts for 2013 was adopted unanimously as proposed by Mr Chandran and seconded Mr. Yousuf Rajid.
6	**Confirmation of External Auditor**
6.1	GS proposed that the existing auditors, MGI N Rajan & Associates be engaged to continue for the period 2014 – 2015. This was adopted on the proposal of Mr. V Bala and seconded

	by Mr. Muthu.
7	**Approval of Proposed Amendments to the Constitution**
7.1	GS tabled the proposed amendments to the Constitution for discussion before members voted on it.
7.2	The meeting agreed that the meeting go through each proposed amendment and discuss individually. Amendments to the proposals were made and agreed upon where necessary.
7.3	Mr Ilangovan raised the following on some of the key proposed amendments presented: a. As an organization which has been in the forefront of social, educational and economic upliftment, this should be incorporated into the objectives (Clause 3.1.4) b. Clause 7 – Subscription rates should be pre-determined, and published upfront for predictability and transparency, instead of leaving the quantum to the discretion of MC. Subscriptions for TRC have always remained nominal and affordable and not used as a revenue-seeking tool c. Clause 13.12 – There was no need to remove the $10,000/- cap for MC expenditure as this quantum is for any one item and not collectively, and historical expenditure data shows that the largest has been for National Day at $12K which also has an income. Besides, in an extraneous and urgent case, MC could incur more than $10 K, and as suggested by the President, the expenditure can be ratified at the following AGM. d. Clause 14 – there were provisions for the functioning of an Executive Committee as recent as 5 years ago. As General Secretary cannot explain how or when this was dropped from the constitution, and they had operated informally, he supported its reinstatement.
7.4	Mr Sultan suggested that a grouping of signatories be introduced to manage situations where office bearers concerned are not available.
7.5	After an extended discussion Mr. Ilangovan proposed that the amendments to the Constitution as further amended at the AGM be put to a vote. This was seconded by Mr. Harikrishnan.
7.6	The meeting unanimously elected the following Tellers to conduct the voting unanimously. • Mr. T R C Raja • Mr Chandran • Mr. Harikrishnan
7.7.	At the end of the voting, Mr. Harikrishnan announced that the proposed amendments to the Constitution (incorporating the further amendments made during the AGM) was carried with 62 members voting in support of the amendments and 2 members voting against the amendments. There were no spoilt votes.
7.8	The new constitution showing the Existing, Revised and New Clauses as approved by the AGM body, is attached and will be submitted to the Registrar of Societies for his approval.
8	**Any Other Matters**

8.1	GS reported that he had not received any representations or notices prior to the AGM for discussion.
8.2	To a query on the status of TRC getting a building of its own, President said that it takes a concerted effort and all Affiliates must give full support including funding for TRC to either buy or lease a building. He added maintenance cost and sustaining the building was another issue and we have to be careful with our finances.
8.3	President assured members that TRC will continue looking for suitable opportunities and members were welcomed to offer suggestions in this regard.
8.4	Mr. T R C Rajah proposed a vote of thanks to the Chairman and this was seconded by Mr Harikrishnan.
8.5	GS thanked everyone for their presence and announced that the meeting had concluded. Members were then invited to a reception and a lucky draw.

President's Speech at TRC AGM

Sunday, 13th July 2014

1. A hearty welcome particularly to our old pillars of TRC:-
    - Mr M Balasubramanion, former Vice President
    - Mr Elangovan – former Gen Secretary
    - Mr Chandran – former Treasurer
2. Chairman reiterated that TRC's objective was to promote "Tamils" language, culture and education.
3. Presently, we have 30 affiliates with one latest addition. The image of TRC is increasing with more respectability with the regulators, MCCY, MSF and MOE and in the eyes of others.
4. Language

4.1 TRC working with MOE organized SORPOR (Tamil Debates) for primary school – promoting language.

5. Culture

5.1 Achieved its objective through supporting a number of affiliates in their activities to promote culture.

5.2 TRC's youth wing organized two programmes over a period of 20 months (???) In the first and second half of last year.

5.3 Supported organizations like Sirpigal, Mathavi Literary Society and LISHA (ponggol festival), TLCS and others.

6. Forum

6.1 MCCY's forum – was attended by TRC secretary, Mr Pandiyan and Mr Tharmaraj.

6.2 TRC's youth forum on national achievement – September 2014. The forum is for primary and secondary students and was a one day workshop.

7. National day celebrations

7.1 National day celebrations at Serangoon Gardens Country Club last year was held on 6th September 2013 at 7.30 p.m. Tables were all sold out to a maximum possible capacity.

8. Bursary awards

8.1 Working with MOE and SINDA, needy children were given awards

9. Job placement

9.1 Assisted where possible in placing Tamils in need of jobs – job placement.

10. Participation

10.1 Works with Tamil Murasu and Tamil Teachers' Union to award Tamil Teachers excellence award

10.2 Supported ex-President, S R Nathan's book launch in Tamil.

10.3 Reading programme for the low income family. Work with SINDA.

11. Preserving relationship

11.1 Continued to be an affiliate of PA – represented by our General Secretary, Pandiyan. He also represents TRC in the Tamil Language Council and TLLPC.

11.2 Relationship with SINDA is excellent – organized jointly Futsal, Indian Community Bursary awards on national scale.

11.3 Wished all others, Vasantham, Tamil Language Council, Narpani and MOE.

11.4 A record of thanks to former SINDA CEO – Mr Raja Segar for preserving the linkages with TRC.

12. Membership

12.1 Hit past 1,104 members – not as what we want – life, ordinary and youth. All members present must enrol as many members as possible. It is purposeless of the efforts of a few who are just talking but not translating talk into action

13. Fixed deposits placed has hit past $750,000/-. Financially TRC is in a healthy position.

14. Let us all do our part as Tamils.

15. It is easy to comment, to be a critic – let us channel our energy into actions and results.

16. Thank you every one for your support, for your contributions and for believing in us.

3.3 Meetings

In 2014, TRC held a total of 5 Management Council Meetings and 5 Executive Committee Meetings. The attendance for the MC meetings was as in Appendix 2.

There were no Delegates meeting held in 2014.

3.4 TRC Staff

In 2014, TRC did not have any full-time administrative staff from March to December. During this period the Gen Secretary and Deputy Secretaries handled the administrative work of the Council.

3.5 Public Relations

TRC continued to engage its members through its website, Facebook and e-News on events. Through its free legal service clinics, TRC assisted 5 members who wanted legal advice.

3.6 Representations to MOE

MOE had assured that it was committed to ensuring that all students have access to schools offering Tamil Language. As the number of such schools was subject to availability of TL Teachers and also determined by demand and availability of alternate schools within the vicinity, it was not feasible to offer TL in every single School. However, MOE assured that it will continue to recruit more TL Teachers and expand the number of Schools where viable.

List of Schools offering Tamil Language are listed in Appendix 3. Same has been made available on TRC's website.

3.7 Data on Educational Performance by Indian Students

The data released in 2014 by MOE on the educational performance of Indian Students has been reproduced in Appendix 4 for information. Although Indian Students had generally done well as compared against the National Average, improved performance will be needed in subjects like Maths and Science to sustain the overall improvement (Appendix 4).

3.8 Amendments to TRC Constitution

Amendments to the Constitution had been passed at TRC's AGM held on 13 July 2014. The amendments were registered with the Registrar of Societies in April 2015 and approved thereafter.

Some of the key amendments are reflected below for reference:

- Election of Internal Auditors at the AGM to be replaced with empowering the Management Council to appoint them.
- Allow for alternatives to sign TRC cheques instead of all 3 (President/Secretary/Treasurer).
- Reduce the number of Delegates meeting from every quarterly to twice a year or when necessary.

4 FINANCIAL STATUS at end 2014

TRC's financial status continued to be healthy. TRC's total funds amounted to $782,909.00.
This comprised of:

- Current Account (DBS) : $ 141,387.00
- Fixed Deposits: $641,522.00

Appendix 4: Educational Performance of Indian Students as compared against the other Ethnic groups.

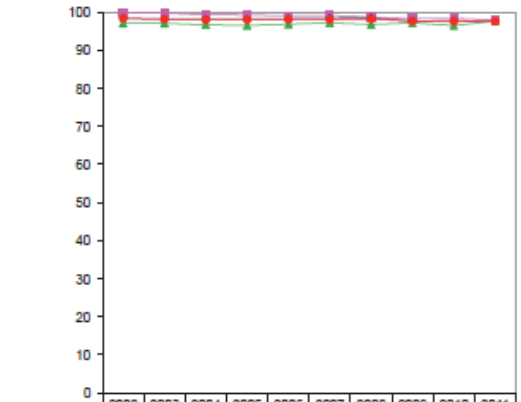

The following data has been reproduced from the MOE website (Performance by Ethnic Groups in National Examinations 2002-2011)

PSLE

96.4% of Indian students passed the PSLE exams in 2013 which is very close to the National Average of 97.5%. Over the past 10 years, the PSLE pass rates for Maths and Science among Indian students had improved but it is still lesser than the National Average.

More assistance is needed to improve their performances. Community Organisations could work more closely with SINDA on ways to improve this.

GCE 'O' Levels

Indian students have done well in the 2013 O level English and Mother Tongue exams. Their achievement has exceeded the National Average. However, their performance for the Maths exam was 9.2% below National Average.

More has to be done in this area to close the gap.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TAMILS REPRESENTATIVE COUNCIL

(Registered in the Republic of Singapore as a Society under the Societies Act)

Report on the financial statements

We have audited the accompanying financial statements of **TAMILS REPRESENTATIVE COUNCIL ("the Society")** which comprise the balance sheet as at **31 December 2014** statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Singapore Financial Reporting Standards and the Societies Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. SOCIETY INFORMATION

The Society is registered under the Societies Act to promote, encourage, enhance, upgrade and improve the performance of the members and the community by organising social, educational and recreational activities.

The affairs of the Society are administered by the Management Council in accordance with the provision of the constitution of the society and provisions of the Societies Act. The financial statements of the Society are expressed in Singapore dollars.

The registered office of the Society is at 101, Balestier Road, Singapore 329678.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION

The financial statements are prepared under the historical cost conventions and in accordance with the Societies Act and Singapore Financial Reporting Standards ("FRS").

The preparation of these financial statements in conformity with FRS requires management to exercise its judgement in the process of applying the society's accounting policies. It also requires the use of certain critical accounting estimates and assumptions. The society has assessed that there are no estimates or judgements used that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

In the current financial year, the society has adopted all the new and revised FRSs and Interpretations of FRS ("INT FRS") that are relevant to its operations and effective for annual periods beginning on or after January 1, 2014. The adoption of these new / revised FRSs and INT FRSs does not result in changes to the society's accounting policies and has no material effect on the amounts reported for the current or prior years.

2.2 PROPERTY, PLANT & EQUIPMENT

a) Measurement

All items of plant and equipment are initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses.

(i) Components of costs

The cost of an item of Plant and equipment includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. The projected cost of dismantlement, removal or restoration is also included as a part of the cost of the Plant and equipment if the obligation for the dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

2.2 PROPERTY, PLANT & EQUIPMENT (continued)

b) Depreciation

Depreciation is calculated on the straight-line method to write off the cost of the assets over their estimated useful lives as follows:

Furniture and Fittings	-	10 years
Office equipment	-	10 years
Computer	-	3 years

Full depreciation is provided in the year of the purchase and no depreciation is provided in the year of disposal.

c) Subsequent expenditure

Subsequent expenditure relating to Plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Other subsequent expenditure is recognized as repairs and maintenance expense in the income statement during the financial year in which it is incurred.

d) Disposal

On disposal of Plant and equipment, the difference between the net disposal proceeds and carrying amount is taken to the income statement. Any revaluation reserve relating to that asset is transferred to retained earnings directly.

2.3 FINANCIAL ASSETS

(a) Classification
The Society classifies its financial assets as loans and receivables. The classification depends on the purpose for which the assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this designation at every reporting date.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or payments that are not quoted in an active market. They are included in current assets, except those maturing later than 12 months after the balance sheet date which are classified as non-current assets. Loans and receivables are classified within "Other receivables" and "cash and cash equivalents" on the balance sheet.

(b) Initial measurement

Financial assets are initially recognised at fair value plus transaction costs.

(c) *Subsequent measurement*

Loans and receivables are carried at amortized cost using the effective interest method.

2.3) FINANCIAL ASSETS (continued)

d) Impairment

The Society assesses at each balance sheet date whether there is objective evidence that a financial asset or a company of financial assets is impaired.

(i) Loans and receivables

An allowance for impairment of loans and receivables, including trade and other receivables, is recognized when there is objective evidence that the Society will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganization, and default or delinquency in payments are considered indicators that the receivable is impaired. The amount of the allowance for impairment is recognized in the income statement within "Administrative expenses".

2.4) FINANCIAL LIABILITIES

Financial liabilities comprise of Other Payables. Financial liabilities are recognised on the balance sheet when, and only when, the company becomes a party to the contractual provisions of the financial instrument. Financial liabilities are initially recognised at fair value of the consideration received less directly attributable transaction costs and subsequently measured at amortized cost using the effective interest rate method.

Gains and losses are recognised in the income statement when the liabilities are de-recognised as well as through the amortization process. The liabilities are de-recognised when the obligation under the liability is discharged or cancelled or expired.

2.5) PROVISIONS

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the present value of the expenditure expected to be required to settle the obligation using a pre-tax discount rate that reflects the current market assessment of the time value of money and the risks specific to the obligation.

2.6) OPEARTING LEASES

Leases where significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Payments made under operating leases are recognised in the income statement on a straight line basis over the period of the lease.

2.7) CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash at bank and fixed deposits with financial institutions.

2.8) INCOME RECOGNITION

All income is recognised on receipt basis except interest earned on the fixed deposits which is accounted on effective interest method.

Subscription from ordinary members and Life membership is accounted on receipt basis.
Affiliate fee is accrued if there is a confirmed commitment to pay.

2.9) INCOME TAX

Current income tax liabilities for current and prior periods are recognised at the amounts expected to be paid to the tax authorities, using the tax rates (and tax laws) that have been enacted or substantially enacted by the balance sheet date.
Deferred income tax assets/ liabilities are recognised for all deductible / taxable temporary differences arising between the tax bases of assets and liabilities and tax assets/liabilities and their carrying amounts in the financial statements except when the deferred income tax assets /liabilities arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting nor taxable profit or loss.

Deferred tax asset is recognised to the extent that is probable that future taxable profit will be available against which the temporary differences can be utilised.

Current and deferred income taxes are recognised as income or expenses in the income statement for the period, except to the extent that the tax arises from a transaction which is recognised directly to equity.

2.10 RELATED PARTY

For the purpose of these financial statements, parties are considered to be related to the company if the company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the company and the party are subject to common control or significant influence. Related parties may be individuals or other entities.

10. FINANCIAL INSTRUMENTS- RISK MANAGEMENT

The society's overall management policy seeks to minimise potential adverse effects on the financial performance of the society. The management carries out risk management and reviews are carried out to ensure that the society's policies and guidelines are adhered to.

i) Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The society is not exposed to movements in foreign currency exchange rates.

Hence the society does not use any financial derivatives such as foreign currency forward contracts, foreign currency options or swaps for hedging purposes.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates.
The society has no variable interest-bearing financial instruments, hence, is not exposed to any movements in market interest rates.

(iii) Market risk

Market risk is the risk that the value of a financial instrument will fluctuate due to changes in market prices whether those changes are caused by factors specific to the individual security or its issuer or factors affecting all securities traded in the market.

The society does not hold any quoted or marketable financial instrument, hence, is not exposed to any movements in market prices.

(iv) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss.

The society has no significant concentrations of credit risk.

Cash is held with financial institutions of good standing/ established financial institutions/ reputable financial institutions.

(v) Liquidity risk

Liquidity or funding risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The society ensures that there are adequate funds to meet all its obligations in a timely and cost-effective manner.

(vi) Cash flow risk

Cash flow risk is the risk that future cash flows associated with a monetary financial instrument will fluctuate in amount.

The society is not exposed to any cash flows risk as it does not have any monetary financial instruments with variable interest rates.

(vii) Fair value of financial assets and financial liabilities

The fair value of financial assets and financial liabilities reported in the balance sheet approximates the carrying amounts of those assets and liabilities.

11. AUTHORISATION OF THE FINANCIAL STATEMETS

The financial statements of the society for the year ended **31 December 2013** were authorised for issue in accordance with a resolution of the management committee on the date of the Statement by Management committee.

12 NEW ACCOUNTING STANDARDS AND FRS INTERPRETATIONS ISSUED AND NOT ADOPTED

The society has not applied the following new/revised FRS or interpretations that are relevant to the society and have been issued as of the balance sheet date but are not yet effective:

		Effective annual periods beginning on or after
Amendments to FRS 32	Offsetting of Financial Assets and Liabilities	1 January 2014
FRS 112	Disclosure of interests in other entities	1 January 2014
